Informa 2019 Investor Day

Annual event in London with the theme of Depth & Specialisation

London: Informa (LSE: INF.L), the International Exhibitions, Events, Information Services and Scholarly Research Group, will today host its 2019 Investor Day at its offices at 240 Blackfriars in London, the operating headquarters of Informa Markets. The theme of this year's event is **Depth & Specialisation**, focusing on how Informa has been building strength and depth in specialist markets and the opportunities this creates for continued growth and expansion.

The Investor Day includes a series of digital product demonstrations followed by a series of business presentations by a wide range of Informa Colleagues from across the Group.

The event will not be webcast live but will be recorded and made available in due course on the company's website at www.informa.com.

The presentations will not focus on current trading and no new trading or financial information or targets will be disclosed. The next formal trading update will be at the Annual General Meeting on 24 May 2019.
